- A copy of the student's Birth Certificate if born in Australia or Passports of the Parents and the student if born overseas.
- The student's most recent school report.

Parents are reminded that under the Education Act 1999, Division 2.20 *"the Principal may cancel the enrolment if false or misleading information was given"*

1. It is a requirement that the school is informed immediately of any change of address.
2. It is also a requirement that all the information provided is accurate.

### Age

A birth certificate or extract of birth certificate or passport must be provided with the application for enrolment as proof of age. Only in very exceptional circumstances, and only with the permission of the Principal, will a student be placed in a group that does not correspond to his or her age group.

### Medical

The School will require copies of a student's immunisation record/certificate. If the student has a medical condition or intensive health care need you will also need to complete a separate Health Care Authorisation form.
